

# Meeting Agenda - 20130227

Location: Linsen

Date: Wednesday, 2013-02-27

Time: 17:00

Facilitator: Madeleine Appert

Participants: Madeleine Appert, Isabelle Frölich and Johan Gustafson

## Objectives

Distinguish what is left to be done and plan our path to the finish line.

## Reports

Since Sunday, Madeleine has finished the buttons that need to be fixed.

Johan has been trying to change the input of opposing team in Challenge' to a JComboBox. Something seems to have gone wrong with another part of the program so we'll have to remove those changes and start fresh.

## Discussion items

1. When will we submit our final version?
  - At the latest 23:59 Wednesday 6<sup>th</sup> March.
2. What do we need to have done by then? And who will do what/Have responsibility for what?
  - Let Joachim know that that will be our final submission date. (Malla)
  - We need to update all of our documents, especially RAD and SDD. (Bella)
  - Check test code and add where needed. (Johan)
  - Complete project with code. (Malla)
    - Add JComboBox for opposing teams in case of Challenge.
    - Not be able to make bets once an opponent has been chosen
    - Make "Next Card" Button disabled if player has run through the deck.
3. When will we meet again and what will we have done until then?
  - Next meeting Sunday 3<sup>rd</sup> 17:00. We will then have:
    - Malla – Contacted Joachim and fixed the combobox.
    - Bella – Finished the RAD.
    - Johan – Will have finished tests to Challenge class.

## Outcomes and assignments (5 min)

- We have set a final deadline for project. Project will be submitted then no matter what.
- What is left has been gone through and the work load has been divided.
- Next meeting time and our assignments until then has been scheduled.
