

# Meeting Agenda – 20130404

Location: Linsen

Date: Thursday, 2013-04-04

Time: 10:00

Facilitator: Madeleine Appert

Participants: Madeleine Appert and Johan Gustafson

## Objectives

Figure out how we move on from here.

## Reports

Both Johan and Madeleine have been working with the code and realizing that it is a huge mess.

## Discussion items

1. What are we going to do about our mess of a code?
  - We have decided to reorganize the entire code. It is impossible to make a single simple change without the entire code falling apart.
2. What needs to be done?
  - Plan the new domain.
  - Execute.
  - Fit the GUI.
3. When will we meet again and what will we have done until then?
  - Tomorrow.

## Outcomes and assignments (5 min)

- We have decided to reorganize the project and meet up again tomorrow.
